

**MICHIGAN DEPARTMENT OF CIVIL SERVICE
JOB SPECIFICATION**

STOREKEEPER

JOB DESCRIPTION

Employees in this job participate in and oversee the receipt, storage, requisitioning and disbursement of supplies and materials, or operate mail handling machines and equipment to provide mailing services to state government.

There are four classifications in this job.

Position Code Title – Storekeeper-E

Storekeeper 5

This is the intermediate level. The employee performs a range of storekeeper assignments in a learning capacity, receiving on-the-job training and close supervision.

Storekeeper E6

This is the experienced level. The employee performs a full range of storekeeper assignments exercising judgement in making decisions based on established methods and procedures.

Position Code Title – Storekeeper-A

Storekeeper 7

This is the advanced level. Employees at this level function as either a crew leader overseeing the work of lower level storekeepers and/or prisoner crews, or the employee performs the most complex storekeeper assignments in a major segment of a large warehouse, or the employee routinely operates complex mail processing equipment such as matching insert equipment/AIM, Image Mailer, Onserts, or various types (pressure, water, heat) of sealing equipment to provide mailing services to state government.

Position Code Title-Storekeeper-2A

Storekeeper 8

This is the second advanced level. At this level, the employee operates the most complex and sophisticated mail processing equipment and oversees the most complex mail production jobs for a major customer group.

NOTE: Employees generally progress through this series to the experienced-level based on satisfactory performance and possession of the required experience.
